Special interest, hobbies, talents: _____

The essay topic is listed below. Type your essay on a separate piece of paper and attach to your application. The essay should be between 250 and 300 words.

ESSAY TOPIC:

One of North Carolina's electric cooperative's seven principles is "Concern for the Community". Describe a problem you've solved or a problem you'd like to solve in your community. It can be an intellectual challenge, a research query, an ethical dilemma-anything that is of personal importance, no matter the scale. Explain its significance to you and what steps you took or could be taken to identify a solution. Also explain how your local electric cooperative could play a role in helping solve the problem you have identified.
