I understand that this rate is available on a voluntary basis to single-phase residential consumers who would otherwise be served under the Residential Service schedule.

I understand that service under this schedule is subject to the Cooperative's established rules and regulations.

I understand that this rate has a required 12 month commitment period. If I choose to change back to the traditional residential rate prior to 12 months from this agreement, I will be subject to a \$100 fee to cover the cost of the meter change.
